# CAMILLA FANTINATI

Videographer . Photographer . Producer . Editor  
Drone Pilot . Conservationist

## PERSONAL PROFILE

Experienced

photographer/videographer and editor for wildlife conservation NGOs and as a freelancer, highly skilled in Premiere Pro and Photoshop and with good command of other editing programs.

Capable in creating fluent storytelling both for fiction and documentary, with a preference for the latter, as it allows to incorporate knowledge of wildlife conservation and it facilitates education regarding globally relevant topics.

Able to handle multiple projects while always making sure to be in alignment with clients needs.
